### **You Can't Hide from the Harm of Vaccines**

*"Doctors can't ignore it anymore. You can't hide from the harm of vaccines when they are in front of your eyes every day: — Oncologists are seeing more cases of cancer. — Neurologists observe strokes in patients without risk factors. — Cardiologists observe heart attacks when fibrin clots clog the coronary arteries to an extent they have never seen before. — Gynecologists note fertility and menstrual cycle disorders. This is a humanitarian catastrophe that has been ignored and suppressed. It has been censored, but it is impossible to hide from this data when it lies in front of you every day. At some point, the system has to deal with it."*

### **"A Sense of Obligation"**

[January 24, 2021 - #4767 Music & the Spoken Word \(thetabernaclechoir.org\)](#)

*When we have a sense of obligation to God, so many virtues naturally follow. We strive to make good choices, even when we are alone because we know that we are, in reality, never alone. We*

*count our blessings because we know where those blessings come from. And, we find ways to help others because we know that's what God would want us to do.*

*Obligation to family and God provides a solid foundation for honoring our country. We cherish her virtues while seeking to improve her weaknesses. We stand up for what is true and just and treat our fellow citizens with respect, fairness and compassion.*

*Family. God. Country.*

*Our obligation to these simple duties and joys will make for us, if not a long life, certainly a good and virtuous one.*

- **BQQQQQQQM "Electricity taken from air drives automobile":** In 1921 Nikola Tesla's Pierce-Arrow electric car ran on pure etheric electricity. #### J. White Hat Intel:

- **Russia exited the Matrix first** and was now financially almost completely free from the United States.
- **When Saddam Hussein announced in Iraq** that he would no longer accept the US dollar for oil, two months later the war broke out in Iraq and Saddam Hussein was murdered.
- **Many wars were started to preserve the American dollar.** When Moammer Gaddafi created an evaluated currency for Africa, Western military power went to Libya and assassinated Gaddafi.

- **Now Russia has finally broken the Petrol-Dollar** (Fiat Money). The US is now in an existential crisis and Europe will follow.
- **The dollar is (almost) bankrupt** and the cry for regulation of cryptocurrencies by corrupt governments show the corruption and mutiny within the organised financial system bodies like the SEC revealing how Bitcoin and Ethereum are protected.
- **Russia has the Ruble which is fully backed by gold.** India, China and Russia have long had a different monetary system apart from SWIFT.
- **Ripple is slowly revealing to be the new QFS** it was promised and hoped by many XRP and XLM long trusted believers.
- **It seems the time to flip the switch** is very very close.
- **For so long we have speculated and predicted scenarios** that would involve the Event and Russia now seems to lead the way out of the Matrix leaving behind the corrupt financial system, the media, the internet.
- **Exposing the NWO, EU, US, NATO, UN, CERN, WHO, CIA, MOSSAD** – all one big snake pit full of darkness and connected to each other up the evil pyramid of the Elite that was about to be taken down completely.
- **International Bar Association lawyers** work for and were created in the 1500s by foreign entities of the Roman/Vatican Empire in collusion with the Pope, Queen and Henry the VIII.
- **In the 1800s US Inc. crafted a new branch off the BAR** (British Accredited Registry) and created the ABA (American Bar Association). Both associations are controlled by foreign entities. The Rules of Civil Procedure was written on old Roman Laws that are still used to this day and do not apply to "We the People."
- **All judges, lawyers and those who enforce the illegal procedures of the null and void dead Corporation entities** (Vatican, Royal Crown, US Inc.) are and will be subject to arrest for Crimes Against Humanity and punished under all rightful laws of coercion and unlawful actions in Military Courts. Such courts have full rights to enact Military Tribunals on foreign occupied agents and their corporate powers, counter parts and associates.
- **All courts are corrupted. Every person that is part of the BAR were foreign entities that were trespassing on human rights.** These BAR associates, society, corporations have been working under massive fraud and under the cover of law for a long time throughout the world and in every country. They protect fraud elections, illegal practices by politicians, corporations, tech Giants pharmaceutical companies and elites that run the International BAR Association worldwide.
- **The BAR was about to be taken down worldwide** and their enormous fraud was about to be revealed.
- **You have no contract with this unlawful broken Corporation and associates of the BAR and their counterparts.** You are not a property or subject to these false entities,

associations and societies connected to the International BAR Association and their procedures.

- **Whoever claims you are property and whoever states they have a contract** on your life in the private or corporate side are deceiving you. No such contract exists.

#### **K. Human Experimentation, Ukraine: June 16 2022 Part 2 of 7**

- **Russia** has previously spoken about the experiments held by the employees of a laboratory in Merefa on the patients of a psychiatric clinic in Kharkov since 2019 to 2021. It has been noted that one of the organisers of this illegal activity was a US citizen Linda Oporto Al-Haroun.
- **The documents received** during the special military operation have revealed that this kind of investigations has been carried out in Ukraine at least since 2011 and Al-Haroun repeatedly visited the branch of the Merefa laboratory built with funds of the Pentagon in Sorokovka, Kharkov region.
- **Despite the fact that this installation is provided with underground storage facilities and powerful ventilation systems, it is officially considered a company that produces food additives.** At the same time, the site of the company bears clear signs of fictitiousness, while the equipment of the branch has been transported to the western regions of Ukraine under control of the Security Service of Ukraine (SSU).
- **It confirms our concerns about the numerous violations** of the international humanitarian law in Ukraine that are also defined by the Nuremberg Code and the Helsinki Declaration of the World Medical Association. They include: the voluntary consent of an individual to participate in an experiment; informing about the investigation to be carried out; prevention of excessive physical and mental suffering during an experiment, as well as tortures, inhumane or degrading treatment.
- **Highly active neuropeptides were tested on socially vulnerable citizens of Ukraine** that caused irreversible damage to the central nervous system. This is a clear violation of the international treaties related to human rights.
- <https://t.me/DUMBSandUnderground/33701>

#### **L. Military Biological Program of US in Ukraine, June 16 2022 Part 3 of 7**

- **The MoD has already mentioned the role of the Scientific-Technological Centre of Ukraine (STCU)** in the military-biological programme of the USA in Ukraine.
- **I would like to focus on the P-268 project.** The National University named after Taras Shevchenko in Kiev and the Colorado State University were involved in its implementation.
- **Note STCU Executive Director Andrew Hood's appeal** to the U.S. Department of State to organise researches within the project. He states that '...more than 30% of the

participants are former scientists experienced in developing weapons of mass destruction...!.

- **The objective of the project is to study viruses** capable of infecting Aedes mosquitoes. According to the terms of reference, the viral preparation was produced by the institute in Kiev and delivered to the USA for aerobiological studies.
- **The interest of the American clients in mosquitoes** of this species that are vectors of transmissible infections such as dengue fever, Zika and yellow fever is not accidental.
- **During the last major outbreak of yellow fever in Africa** (in 2013), there were 170 thousand cases of the severe form of this disease, including 60 thousand that resulted in death.

#### **M. Viruses of US Bio-weapon Labs: June 16 2022 Part 4 of 7:**

<https://t.me/DUMBSandUnderground/33706>

- **Everyone remembers the smallpox virus contamination** of blankets for Native Americans, the deliberate infection with the syphilis pathogen by Guatemalan citizens is less discussed while this fact has been admitted by Barack Obama. The use of pesticides during the Vietnam War is even less remembered, but the history of deliberate outbreaks in Cuba in the 1970s and 1980s is completely suppressed. At the same time, the use of Aedes mosquitoes as biological weapons, exactly the same ones operated by the U.S. military department, is recorded in the class action suit of Cuban citizens against the U.S. government and was submitted to the member States of the Biological Weapons Convention.
- **The class action notes that the 1981 dengue epidemic in Cuba** that contaminated 345 thousand people and resulted in the death of 158 persons was the result of the spread of the second dengue virus serotype that had not previously been recorded in the Caribbean and had clear signs of a deliberate nature. Thus, the time of the attack (late January) was chosen in consideration of biological features of the life cycle of mosquito vectors and was optimal for the subsequent development of the epidemic process. In addition, the only place on the island where no cases have been reported was the U.S. Naval Base at Guantanamo due to pre-vaccination of soldiers against the dengue virus type 2.
- **An artificial outbreak of another viral disease**, African swine fever (ASF), occurred in Cuba in 1971. During the epizootic, 500 thousand animals were eliminated and the country suffered a significant economic damage. Although no cases of ASF have been previously reported in the American continent nor in the Western Hemisphere in general, it was Cuba where the disease has appeared.
- **Former FBI official William Turner introduced** some clarity to this issue by telling the Newsday that the CIA delivered a container of ASF agent from Fort Gulick in Panama and transferred it off the coast of Cuba to a fishing vessel. He precisely indicated the farm where this pathogen was introduced.

- **Since 1980 to 1982, the Cuban leadership** reported numerous unusual outbreaks of viral infections of economically important crops (sugar cane and tobacco) that appeared in different regions of the country and were not related to each other.
- **Yet these facts are only part of the U.S. military-biological dossier**, while their investigation is ignored by the United Nations and the World Health Organization.

**N. Biological Threats June 16 2022 Part 5 of 7:** <https://t.me/DUMBSandUnderground/33707>

- **Despite the assurances of the United States** that the biological research in Ukraine is carried out exclusively in the field of civilian healthcare, there are documents that confirm the direct cooperation between the military departments of these countries.
- **I would like to draw attention to the Notice of Inclusion of Laboratories** of the Central Sanitary and Epidemiological Department of the Ministry of Defense of Ukraine in the Biological Threat Reduction Program. It notes that '...the program enables cooperation between the Ukrainian Ministry of Defence and the U.S. Department of Defense, as well as creates legal principles for its further expansion...'.
- **Since 2015 that was the beginning of large-scale financing of Ukrainian projects** by the Pentagon, numerous cases of infectious diseases have been recorded among servicemen and residents of the Lugansk and Donetsk people's republics.
- **According to the report of the Ministry of Healthcare** of the Donetsk People's Republic (DPR), '...in 2016, the tularaemia morbidity increased 9.5 times in comparison with 2007. There have been also noted distinctive features in the structure of morbidity, including an increase in the number of servicemen among the contaminated people...'. Here is a list of tularemia cases in the DPR. For security reasons, we do not reveal their personal data, this information has been sent to the Investigative Committee of Russia.
- **I remind that NATO guidance documents** (Guidelines for the Assessment of Radiation, Chemical, Biological and Nuclear Casualties) consider tularaemia as one of the prioritised biological agents. This is the agent that was used in the military exercises of the alliance at the training grounds in Sweden, with official confirmation in 2012.
- **I would also like to note that there have been several dozen outbreaks of hepatitis A** since 2017 until now in 12 regions of Ukraine where biological facilities controlled by the Pentagon are located and have been in operation. More than 10 thousand people have resulted contaminated, and in most cases the cause of the disease has not been not identified.

**O. Hunter Biden June 16 2022 Part 6 of 7:** <https://t.me/DUMBSandUnderground/33709>

- **The Russian MoD has already noted that Hunter Biden** was instrumental in creating the financial opportunity to work with pathogens in Ukraine by securing funds for Black & Veach and Metabiotics companies.

- **The published correspondence of Biden** with the administration of the Rosemont Seneca Investment Fund shows the use of administrative resources and blatant lobbying of Metabiota's interests in U.S. government.
- **Managing Director John Delosch asks Biden:** 'Is there anyone we can call in Washington to get an idea of how seriously Metabiotics is being considered by various government agencies?'
- **This kind of wording raises the question** of the personal financial interest of Biden and other co-founders of Rosemont Seneca in the implementation of the Pentagon's military-biological programme in Ukraine, as well as the presence of a corrupt component.
- **The apparent lack of investment appeal** of projects aimed to reconstruct Ukrainian biolaboratories raises doubts about the transparency of ongoing financial activities.
- **In addition, funding from non-State sources** such as the Biden Foundation, allows the Pentagon not to report to the Senate Budget Committee on the objectives and results of bioweapons research in Ukraine, hiding them from the public thereby.
- **The analyzed documents of the investment agencies** subordinated to Biden do not contain any information about payments to beneficiaries and distribution of dividends. It indicates the concealment of profits with high probability and is a sign of illegal payment schemes and tax evasion that is a serious violation of the U.S. law.

#### **P. Pentagon US Bio-weapon June 16 2022 Part 7 of 7:**

<https://t.me/DUMBSandUnderground/33711>

- **On June 9, the Pentagon website published an official statement about U.S. biological activities** in the post-Soviet countries. The U.S. administration admits the funding of 46 Ukrainian biolaboratories and the relations between the U.S. Department of Defense and the Scientific-Technological Centre of Ukraine (STCU).
- **At the same time, it reflects the peculiarities of the implementation** of the Nunn-Lugar joint threat reduction program in the post-Soviet countries, one of the purposes of which was the involvement of '...thousands of former Soviet scientists specialised in biological weapons...' allegedly to '...exclude the possibility of their cooperation with terrorist groups...'.
- **This kind of attempt of the U.S. administration** to whitewash its tarnished reputation turned out to be a 'prosecutor's dream': the document cites facts of the Pentagon's military-biological activities in Ukraine and other countries of the former Soviet Union, as well as indicates the accomplices of the American military department: the State Department and the U.S. Department of Energy.
- **However, the 'clarifications' provided** by the USA do not answer the questions we have posed: ☐ Why was the work commissioned by the Pentagon, while its subject matter did not correspond to the current problems of public healthcare in Ukraine? ☐ What was the purpose of the participation of U.S. military officials in biological research in Ukraine, while the work was carried out under conditions of secrecy with restricted access of

Ukrainian professionals to information and facilities? □ Why were strains of pathogenic microorganisms, potential agents of biological weapons, and biomaterials of Ukrainian citizens exported from the country without clearly declared purposes? □ Why do the U.S. and Ukraine obscure the military-biological cooperation in international reports under the Biological and Toxin Weapons Convention (BTWC), while the U.S. has been blocking the development of its verification mechanism since 2001? □ Why are U.S. officials, including Under Secretary of State V.Nuland, so concerned about the possibility of the activities held by the U.S. Defense Department in Ukraine and the materials in the bio-laboratories taken over by Russian specialists?

- **Thus, the situation presented in the Pentagon statement** is just a screen under the guise of which the United States carries out its activities in circumvention of international agreements and continues to build up its military-biological capabilities. At the same time, Ukraine is assigned for playing the role of a testing ground, collecting biological materials and studying the specifics of the spread of infectious diseases.

**Q. Treason in Utah County: Goliath Barbie and Ken vs. IRS Goliath – It Could Happen to You** [Barbie and Ken vs. IRS Goliath – It Could Happen to You | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)

- **Freedom loving Americans "Barbie & Ken" Cromar** have found themselves thrust into the midst of the abusive Criminal Justice System (4 1/2 years and 15 cases have never seen the inside of a court room), claiming that the IRS and Judicial System have been weaponized against them for exposing political corruption within their community of Utah County and state of Utah. Without a court hearing and with their taxes fully paid, their home was foreclosed on by the IRS.
- **A Friend of the Court Brief stated**, “Ironically this is all happening at the same time the national airwaves are filled with news reports of alleged prosecutorial misconduct and investigations into Satanic ritual sexual assaults in Utah County (against Cromar’s prosecuting Utah County Attorney David O Leavitt).”
- **It’s no wonder the Cromars were denied their right to trial** prior to their home being taken away. When the case finally reached the inside of a court room, it was expected to

expose evidence of nationwide corruption in the court system on the local, state and federal levels.

- **Utah County Prosecuting Attorney Leavitt** (who was running for re-election) had his own problems to think about: [Utah County attorney, sheriff trade angry barbs over sex abuse investigation - Deseret News](#) [Utah County Gripped by Accusations of Phony Murder and Cannibalization of Kids \(thedailybeast.com\)](#) [A PAC with ties to the Utah Sheriffs' Association is trying to unseat Utah County Attorney David Leavitt \(msn.com\)](#)
- **On Thurs. morning 16 June Barbie and Ken Cromar** filed a Criminal Referral in Utah Fourth District Court alleging Treason by Utah County Prosecuting Attorney David O. Leavitt for fraudulent court actions against them over the past four and a half years that included 15 case filings, 14 of which were not granted hearings.
- **Forced to defend themselves without proper legal assistance**, their home was fraudulently stolen by the IRS while Barbie & Ken were fighting to protect their God given rights without seeing the inside of a court room.
- **Cromar's filings alleged that Judge Johnson and County Attorney David O. Leavitt's Office** have collectively worked together to deny Barbie & Ken's court filings including those documents acknowledging the IRS errors and statement that "The IRS has no legal claim against the Cromars because they owed no taxes from 1990 through 2020." During almost every court appearance and in most of their pleadings, the Cromars have argued repeatedly that they should not be charged with property crimes on a property that they still owned.
- **The Friend of the Court Brief pointed out that**, "The Community Support Foundation agrees with the admissions by the Commissioner of the IRS and the Chief Judge of the US Tax Court, that (at the time of foreclosure which occurred without a hearing for the Cromars) the Cromars had no lawful tax claim against them, which makes VOID all actions (orders and judgments) against Barbie and Ken by all courts including this one."
- **This action also related to a weeklong Trial by Jury that starts June 27, 2022** where the Cromars were subpoenaing witnesses that included Ammon and Ryan Bundy who were falsely imprisoned in a case that hit national news for years and where the Bundy's twice beat the Feds in court. Another witness was Sheriff Richard Mack of Arizona who won at the Supreme Court on the 2<sup>nd</sup> Amendment. A third was John Earl Sullivan Jan. 6 2021 Capitol Rioter who was very strangely at the Cromar home just days before "Barbie & Ken" were hit by a 75-man SWAT Team.
- **Why was January 6th Capitol Rioter CNN news reporter John Sullivan at Barbie and Ken's home "offering to support" on September 2, 2020?** Why was he there just days before the Cromar's were hit by an unprecedented para-military 75-man SWAT team? Why won't David Leavitt tell them who his informants are, and denied them access to evidence, including exculpatory evidence?

- **In the Friend of the Court Brief the Cromars asked the court to launch an** investigation into what appears to us a weapon-ization of the powerful IRS machinery launched by fraudulent 'anonymous' claims of 'tax fraud' against the Cromars, by their political enemies from his years on the Cedar Hills City Council and after, wherein he led groups of Cedar Hills neighbors in researching and GRAMA requesting public records, and exposing the entrenched corruption surrounding misuse of taxpayer money, particularly with the ongoing failed Cedar Hills golf course.  
[www.CedarHillsCitizens.org](http://www.CedarHillsCitizens.org)
- **The Cromars feel that the court has been denying their right** to participate in their own defense (*in violation of Farett v. California*) because they would not use a public defender BAR attorney. In the middle of the now almost five year case that hadn't seen the inside of a court room "Barbie & Ken" were hit by 75-man SWAT team on September 24, 2020: <https://youtu.be/L9-XhokiqW4>
- **The Cromars were calling out the Prosecution** for a felony case for "burglary of a dwelling" – the Cromars' own home – because they were being denied exculpatory evidence, access to the court record, destruction of evidence and Obstruction of Justice, making their Defense incredibly difficult, if not impossible.
- **If this happened to the Cromars, it could happen to any of us as we live under a corrupt court system ruled by foreign entities.** In the 1800s US Inc. crafted a new branch off the BAR (British Accredited Registry) and created the ABA (American Bar Association). Both associations were controlled by foreign entities. The Rules of Civil Procedure was written on old Roman Laws that are still used to this day and do not apply to "We the People."

#### **R. JAG Amends Method of Execution, Michael Baxter:**

<https://realrawnews.com/2022/06/jag-amends-method-of-execution/>

- **June 9, 2022:** The U.S. Navy Judge Advocate General's Corps has amended how it will carry out future Deep State executions, a JAG source told Real Raw News. In the last two years all but two convicted Deep Staters were hanged by the neck until dead, a process JAG now says is tedious, time-consuming, and prone to mishaps. **As a result, anyone convicted of capitol crime and sentenced to death will get a bullet to the brain.**
- **Our source said JAG made the decision** after weighing the cost and man-hours of past hangings against the cost of a few bullets. The practice of hanging a man, he said, involves more than simply stringing him up and flipping a switch. Ahead of each hanging, members of the U.S. Army Corps of Engineers arrive at GITMO to inspect the gallows, to ensure it functions properly, and remain there until the condemned is pronounced dead. But even their expertise hasn't prevented mishaps; the execution of

pedophile Bill Gates, for example, showed that improper rope measurement causes a prolonged, painful death.

- **Also, some executions were delayed** pending the arrival of military brass, and sometimes politicians, who had to fly in from the mainland to witness the event.
- **More influential in JAG's ruling**, perhaps, is what Vice Adm. Darse E. Crandall has called "gallows theatrics." The interim between sentencing and execution has given flamboyant, grandstanding, unrepentant Deep Staters much time to sharpen their Thespian skills for melodramatic pre-execution productions. They have run the gamut from demonic incantations to alleged religious reformation, from final words laced with every profanity under the sun to acts of sexual depravity.
- **Once known for staying calm under pressure**—and sometimes ribbing Deet Staters in their final moments of life—Vice Adm. Crandall has shown signs of frustration at recent executions, and referred to himself as a "circus ringmaster" after a lascivious Alec Baldwin dropped to his death.
- **"The admiral discussed his concerns** with his juniors, and they agreed hangings take too long and are filled with too much theatre. They reached a consensus. **From now on the convicted will be executed within 24 hours of sentencing, by gunfire instead of a noose," our source said.**
- **Asked how JAG would screen future firing squads**, he shockingly said a "single Marine" would bear the burden of executing the condemned, and a backup would be readily available "just in case."
- **This is a sharp deviation from historical practice.** A firing squad is normally composed of several soldiers, all of whom are instructed to fire simultaneously, thus preventing both disruption of the process by one member and identification of who fired the lethal shot.
- **"Although we're talking about hardened Marines, psychological screening will take place, and it's more efficient to briefly screen one or two Marines than seven to ten. Speaking for myself, why use 10 rounds of ammunition if one or two will do the job just as well. It's not like anyone's aiming for arms and legs," our source said.**
- **"There's no written rule specifying the number of men. It can be one, it can be 20," he added.**
- **In closing, he told RRN that prospective candidates** will be chosen entirely from a pool of volunteers, of which there are many.

## **S. The Storm of the Century:**

- **Lots of division going on over SCOTUS leak** of Rowe vs. Wade Abortion Law overturn. What's really interesting to know about the leak. Why were they ready with barricades just hours before the Leak?
- **Many believe the whole scenario is a False Flag** to cover the release of the 2000 mules Nationwide film release that exposed 2020 Election Fraud: [2000 Mules | Watch the full movie... – CITIZEN FREE PRESS](#)

- **Many believe this leak is connected** to Events that will trigger riots.
- **My personal belief** is Judge Roberts Assets were confiscated by the Military in 2018.... 29 billion\$\$\$\$\$\$\$\$\$\$\$ and he is forced to play out the Events connected to the fall of SCOTUS.
- **All three branches of the US Government were captured operations and under foreign occupation.**
- **On January 21, 2022 at 12 am the U.S. Military took legal control of the U.S. through Laws of Wars** that were activated after 12 months (since January 20, 2021 the Biden administration had a chance to come forward, expose Foreign occupation and come clean – which they didn't. By the laws of War of the Department of Defense the Military legally took over after 12 months later.
- **The whole Twitter, Ukraine, Election exposure, SCOTUS leaks, ect. was planned.** Why? Because it would expose other Deep State countries, Elites, Presidents, Prime Ministers and organizations such as the UN and NATO, DAVOS, Blackrock Elites, Medical Mafia, Beg Tech worldwide, MSM and the whole corrupt system.
- **The PLAN is happening** and the movie is taking place. Unfortunately people die in War. Not everything is clean. Laws of War (now happening), Continuity of government (started in 2017). Inside the Devolution Plan The Storm of the Century.

**U. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill’s witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

#### **V. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**W. The following have been set up to report Crimes Against Children and incidents of human trafficking,** although I cannot verify as to the influence of Satanists within these organizations:

**X. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**Y. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing*

*truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
